The Catholic Women's League of Canada

TORONTO DIOCESAN COUNCIL

Spiritual Advisor
Rev. Msgr. Patrick O'Dea

SPONSOR
Thomas Cardinal Collins
ARCHBISHOP OF TORONTO

President
Hilarion Mitchell

Dear Sisters in Christ,

I am pleased to greet you as we celebrate the achievements of 2019. As you know, I was appointed Spiritual Advisor of the Catholic Women's League for the Toronto Archdiocese on May 31, 2016, by His Eminence Thomas Cardinal Collins, Archbishop of Toronto. As such, I have now completed my fourth year, and I am still in awe at how much I am learning and appreciating in working with you in our service to God and His Church.

In particular, this past year I have continued to visit and support each of our diocesan regions and to learn of their inspiring works, at both their local levels and beyond. I am also grateful to the priests who serve as Regional Spiritual Advisors. There have been changes over the past year, and so I wish to highlight the names and regions of the current Regional Spiritual Advisors:

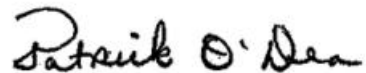

Rev. David Bollo, Durham Region
Rev. Luigino (Lui) Santi, C.P.P.S., Humber Valley Region
Rev. Boniface Perri, North York Region
Rev. Michael Simoes, Peel Region
Rev. Dominic Borg, OCD, Scarborough Region
Rev. Silvio Eljuga, Northern Region
Rev. Damian Young-Sam-You, Toronto Region

I also thank the priests of our Archdiocese who serve as spiritual advisors for their local parish councils, which now number 101.

This past July, I attended the 72nd Annual Ontario Provincial Convention of the Catholic Women's League of Canada, in Kingston, Ontario. As well, I am currently serving on the pre-planning committee for the 2021 Catholic Women's League National Convention, to be held in Toronto in August of 2021. This will be a significant convention, as it celebrates the 100th anniversary of the First Convention of the Catholic Women's League in Canada. How fortunate we are to be able to host this historic occasion.

In conclusion, I thank each and every one of you for your witness of faith and for the many ways in which you enrich our Archdiocese through your ministry with the Catholic Women's League. It is a unique pleasure, and privilege, to serve as your Spiritual Advisor. Please, let us keep one another in prayer!

God bless,

A handwritten signature in cursive script that reads "Patrick O'Dea".

Report of the President

Hilarion Mitchell

Members: 7164

Regions: 7

Councils: 101

Honorary Life Member: 1

Life Members: 14

Approximately 75% of the councils submitted a President's Annual Report for 2019 and only one did not have a president. In forty councils, the president's position had been held previously and in one third, were members for six to ten years. Most presidents were in the 55 to 64 age group.

Inform Membership of the League's Position

The League magazine (93%) was the main source used to inform the membership of the League's position followed by the Toronto Diocesan Newsletter (76%), provincial websites or newsletters, national websites (72%), and national communiqués (70%). Information was also received from the parish priest and bulletin, regional chair, *The Catholic Register*, Knights of Columbus, and Eternal Word Television Network (EWTN). The *Care for Our Common Home* theme (94%) was the main national priority followed by Medical Assistance/Hospice Facilities (68%) that councils promoted throughout the year. An overwhelming (91%) rated the national theme as beneficial and 36% would like the changes in the theme to occur on an average of every three years.

Foster Open Communication

Eighty-eight percent of presidents said that their spiritual advisor was supportive. Councils reported that their spiritual advisor did not attend meetings due to lack of interest, large parish, or other duties and traditionally does not attend.

Develop Policies

The *National Manual of Policy and Procedure* and the *Constitution & Bylaws* were the most used resources that presidents consulted. Only 12 of the 45 presidents who answered the question developed new policies during the year. An overwhelming 92% of presidents read the *Executive Handbook* to understand the duties of the executive and found it helpful. New policies included providing Mass cards for the death of a member's spouse or child, complimentary membership fees for shut-ins and protocols for funerals, milestone birthdays, paid registration for members attending conventions and trainings, subsidizing president's expenses and safeguards for storing new electronic equipment.

Signing Officer and Official Spokesperson

Cheques (89%) and banking documents (82%) were the main official documents signed by presidents. Fifty-four percent wrote letters directed outside the CWL while some 38% signed petitions. Presidents represented their council at church functions (55%), regional meetings (82%), fundraising and dinners, diocesan meetings and conventions (74%). However, the majority (78%) were not subsidized by their council for these events. Sixty-four per cent of presidents provided an annual summary to members with the

majority doing so by an oral report (72%), email (64%), written report (49%) and newsletter (38%).

Ex Officio Member of all Committees

In addition to supporting the executive officers and standing committee chairs, presidents were involved with annual events such as teas and bazaars (68%), social events (54%)₂ and fundraising (45%). Presidents assisted the Catholic Girls League, Comfort Committee, mentoring and leadership in open-ended responses.

Provide Active Leadership

Presidents spoke on issues such as membership drives, the *Care for Our Common Home*, *Homelessness* and *Loneliness* themes, elections, prolife, human trafficking, RCIA, supporting Catholic schools, gun violence, and other topics. Twenty-two councils referenced their membership when using the League letterhead. The current president received the most support from the immediate past president (49%) followed by former past presidents (43%) and the current executive (42%). Some of the issues that presidents had transitioning into their role included the amount of paperwork (54%), unfilled executive positions (53%) and keeping members interested (51%).

Council Strengths and Challenges

Presidents reported that some of the strengths within the council included dedicated older membership, supportive and helpful members, friendships and council accomplishments despite few members. Their challenges included lack of interest in executive positions, past precedents, time constraints, interpersonal dynamics, inability to attract new members, members' commitment, apathy and the volume of emails.

Toronto Diocesan Council

The Toronto Diocesan 98th Annual CWL Convention was held on May 2nd and 3rd. Karen Van Loon from the Canadian Chapter of the Global Catholic Climate Movement spoke on the *Care for Our Common Home* theme. The Mass collection of \$2,512 was shared between Faith & the Common Good and the Jesuit Forum for Social Faith and Justice. The 2019-2021 executive was elected and installed. Father Patrick O'Dea was bestowed the title of Monsignor by the Holy Father, Pope Francis in October. The Toronto Diocesan 100th Anniversary (2021) Committee held a logo contest. Irene Debono and her daughter Alyse Sanborn of Transfiguration of Our Lord Council (Humber Valley Region) were the winners with the Madonna design which was announced at Development Day in February. Meetings were held in preparation to host the National Convention in 2021.

Recommendations

- ❖ Develop council goals jointly with the executive and the membership each year.
- ❖ Set aside a budget to assist the president and members to attend conventions.
- ❖ Keep abreast of, and participate in, the Strategic Plan process.
- ❖ Continue to invite the spiritual advisor to regular council meetings and events.
- ❖ Prepare a written annual report for the council, separate from the National annual report summary.

Report of the Recording Secretary

Shaila D'Souza

Submission of the 2019 Joint Secretaries Annual Report was received from 73 of the 101 councils.

Thirty councils had a recording secretary while 19 held the dual roles of recording and corresponding secretary. The vast majority, 70 councils, indicated that the recording secretary position was filled. Fifty-eight councils were in their role for a minimum of two years. Fifty-five indicated they had a copy of the *Handbook for Secretaries*. Thirty-five knew where their council's charter was located.

Role of the Recording Secretary

Thirty-five of the recording secretaries were signing officers and 61 attended executive and general meetings of the council. Seventy took minutes at a meeting. Twenty-one recording secretaries assisted the president in the compilation of the annual report.

Meetings

Thirty-four recording secretaries distributed copies of the agenda. Fifty-six transcribed and distributed minutes of the previous meeting for approval. Forty-seven brought the Minutes Book to all meetings and 25 did not have a Motion Book. Thirty-eight took roll call at meetings. Fifty-nine recording secretaries took minutes of the meeting. Fifty-six transcribed and distributed minutes of the previous meeting for approval and 34 received written reports from their executive members.

Recommendations

- ❖ Keep a copy of the *Handbook for Secretaries* which is available from the national website.
- ❖ Maintain a Motion Book that is brought to all meetings.
- ❖ Circulate meeting agendas by email a few days before the meeting.
- ❖ Encourage all executive members to submit a written report before executive and general meetings.
- ❖ Ensure that the meeting minutes are brief, concise, record action items and leave out conversations.
- ❖ Use a voice recorder during meetings as an added advantage to supplement written notes.

Report of the Corresponding Secretary

Nancy Fenech

Seventy three of the 101 councils submitted a Joint Secretaries Annual Report for 2019.

Of these, only nineteen councils had a corresponding secretary and sixteen councils had one person holding both the corresponding and recording secretary positions.

Twenty-one councils notified members of upcoming meetings and events by email, parish bulletin or bulletin board, telephone, newsletter, cell phone, text or Facebook. In most cases, this was done by the president, recording secretary or communications chair.

Many corresponding secretaries provided a list and read all incoming and outgoing correspondence for each meeting.

Thirty-three percent were responsible for sending out special occasion cards such as anniversary, thank you, birthday, get well and thinking of you and sympathy cards as well as donation letters.

Thirty-two councils have a copy of the *CWL Personal Letter Writing Guide* obtained from national office.

Some councils have found that the role of corresponding secretary overlaps with the role of their communications chair.

Recommendations

- ❖ Regularly visit all League websites for resources and updated information at Toronto (cwltoronto.ca), Provincial (cwl.on.ca) and National (cwl.ca).
- ❖ Keep the *Parish Information Sheet* containing the executive contact information (i.e. name, address, position, phone, email) updated and provide a copy to the regional chair.
- ❖ Always write letters and special occasion cards to members by hand.
- ❖ Keep a copy of *Handbook for Secretaries* which is available from the national website.

Report of the Treasurer

Lolita Perry

The 2019 Treasurer's Annual Report was submitted by 73 of the 101 parish councils. The report is an indication of the commitments of each and every council to various organizations. Actual amounts donated will be included in the print copy of the Annual Report along with the accountant's report. These amounts include the donations made to the National Voluntary Funds.

National Voluntary Funds included: Coady International Institute, Canadian Catholic Organization for Development and Peace, Catholic Missions in Canada, Velma's Dream/Catholic Near East Welfare Association, Euthanasia Prevention Coalition and the National Bursary Fund.

The Toronto Diocesan Voluntary Funds (St. Michael's Scholarship Fund and the Catholic Children's Aid Society Hope for Children Foundation) continued to receive much needed support from councils to help make a difference in the lives of young people in the archdiocese.

Councils generously donated to their parish communities. Donations were also made by councils through the standing committee chairs, to various other organizations.

Recommendations

- ❖ Include the council's ID number which is on the *Remittance Form for Per Capita Fees* that is sent to National (e.g. T001 - name of parish). As several of our councils have similar names, it is very important to include this number on all cheques and correspondence. This should also be done for any forms or cheques remitted to any other level of the League.
- ❖ Cheques should always be payable to "The Catholic Women's League of Canada".
- ❖ Membership fees are to be submitted to National in a timely manner as they are received. It is not necessary to wait until all fees are collected before submission.
- ❖ Complete and submit the Treasurer's Annual Report and the online survey each year. This is a positive way to share the good works of your council with all the levels of the League.
- ❖ Continue to support the St. Michael's Scholarship Fund and the Catholic Children's Aid Society (CCAS) Foundation Scholarship Fund.

Note: Financial Statements will be mailed to Council/Parish Voting and Accredited Delegates, Toronto Diocesan Council Executive, Regional Chairs and Life Members. The Financial Statements will also be available in the printed copy of the 2019 Annual Report book.

The printed copy of the 2019 Annual Report book is available for purchase for \$5 for members.

Diocesan Highlights

Throughout the diocese, councils held many special events and celebrations, such as council anniversaries, annual get-togethers or spiritual retreats. Most of these celebrations began with a Mass.

At the diocesan convention in May 2019, two awards were presented for the Patricia Beattie Annual Memorial Mentoring Award. Mary Lynch from St. Joseph the Worker Council (Durham Region) received the parish level award for her service. Mary has been a CWL member for 23 years and served as parish and regional Education and Health Chair for many years. Her nominator stated: “She provides knowledge and expertise on topics related to social justice and dignity of human life. She engages members to be agents of action, and has arranged speakers on topics such as euthanasia and conscience rights for health care workers. Mary’s support, knowledge, insight, encourages members to participate in leadership training, development days and conventions. Mary exemplifies love and devotion to the League”.

The auxiliary award, which is given to a member who has served the League beyond the parish level, went to Karen Lawless, life member from St. Patrick’s Council, Mississauga (Peel Region). Karen has been a CWL member for 60 years. Over these many years she has been parish council president, historian and has held various council positions at the parish, Peel Region and Toronto Diocesan levels of the League. She was also Toronto Diocesan President from 1999-2001 and Past President from 2001-2003. As a Life Member, she has been our Toronto Diocesan Convention Parliamentarian and remained involved as our Life Member Liaison. Her nominator stated: “Even though Karen sat as TDC President 20 years ago, she supported her parish council’s executive and members then and continues to do so with her quiet and humble presence”.

Recommendations

- ❖ Build a strong transition plan; be resourceful and available for mentoring the executive. Everyone has their own talents and skills; appreciate their decisions and ability to deliver independently and be there when asked for guidance.
- ❖ Support the implementation of the Strategic Plan; reach out and share ideas and vision with the implementation of the plan. Foster discussion with presentations at general meetings and update the council from National when available.
- ❖ Encourage more involvement of members in all the activities of the council, and efforts to increase membership.
- ❖ Ensure councils archive material and have easy accessibility to the history of the League. Store material electronically. Try and store them at your parish.
- ❖ Review your parish policy and procedure manual at least once every two years. Every council should have a policy and procedure manual.

Report of the Standing Committee Chair of Christian Family Life

Iris McNulty

Annual reports for Christian Family Life chairs were received from 51 councils. Forty-four councils have a standing committee chair. Various resources assisted councils in planning activities. CWL websites, Canadian Conference of Catholic Bishops (CCCC) Life and Family website, Catholic Organization for Life and Family (COLF), prayer books, diocesan and provincial newsletters and *The Canadian League* magazine were used by councils to aid them in planning their activities.

Marriage and Family

Councils promoted and supported marriage and the family through prayers, sponsoring families overseas, natural family planning methods, marriage encounter weekends, parenting courses and encounter weekends for engaged couples, providing programs for single parent families and attending workshops or seminars on the topic of family life. Women suffering from domestic abuse were supported through provisions to local shelters, financial donations and volunteers. Some councils raised awareness on the topic of wife abuse through sponsoring speakers and a power point presentation. One council celebrated Mass at a women's shelter. Councils celebrated Mother's Day, Father's Day and liturgical celebrations for milestone anniversaries. Members attended the Annual Mass to End Woman Abuse.

Sanctity of Life

Members actively participated in pro life events. They took part in Life Chain, March for Life, 40 Days for Life, pro life Masses, walks, vigils, dinners, "Show the Truth", offered on-going prayers for the protection of life, and donated to organizations that advocate for the sanctity of life. This included supporting local pro life organizations, pregnancy and family support services, Euthanasia Prevention Coalition, Birthright, Campaign Life Coalition and Priests for Life. Some councils wrote letters to elected officials to inform them of CWL resolutions on abortion and euthanasia. Five councils met with pro life legislators.

Ministry to Youth

A significant amount of councils took part in programs for youth. Young people assisted with bazaars and outreach to seniors. Members supported youth events through financial donations and through involvement in activities such as summer camps, Steubenville, Catholic Christian Outreach, NET, ALPHA, EDGE, Life Teen. One council supported a student in assisting a mission in Africa. Youth were sponsored to attend the Ordinandi Dinner and one council engaged its youth to perform the Passion Play for their parish. Members were involved in sacramental preparation for first Eucharist and confirmation. Bursaries and awards were presented at the elementary and secondary levels in support of Christian fellowship. Members serve with the Rosary Apostolate within the schools. Three councils sponsored a Catholic Girls League.

Ministry to the Disabled

Several councils reached out to the disabled by bringing them to Eucharistic celebrations. They brought communion to their place of residence, offered prayers for them, carried out visitations and connected with them through correspondence and phone calls. Members provided assistance with transportation. Special occasions were acknowledged. A few councils organized special events for the disabled. Some councils advocated making churches and other public buildings more accessible for the disabled and arranged for a designated space with ease of access for wheelchairs in their church.

Ministry to Seniors

Councils were actively involved with seniors in their communities by bringing communion to nursing homes and the homebound, through visitations, telephone communications, praying with them, sending cards and through sharing a meal. Some councils organized social events or initiated monthly Masses. Other councils planned special programs and celebrations. A few councils reported knitting prayer shawls for seniors in their community and members living in seniors' homes.

Ministry to Widowed, Separated and Divorced

Many councils reported sending cards of condolence to members on the loss of a spouse. Several councils arranged memorial services for deceased members and provided funeral luncheons. Support was extended to widows through prayer, phone communication, visitation and invitations to parish or community events. A few councils gifted them with prayer shawls and included them in their own family outings. Although some councils extended support and invitations to separated or divorced individuals many councils have not focused on this ministry.

Vocations

Vocations are actively supported by councils by praying for vocations, adopting seminarians, offering Masses for vocations, hosting luncheons for priests and religious and promoting the travelling chalice program. Members belonged to the Serra Foundation and a large number of members attended the Ordinandi banquet where the collected spiritual bouquets were presented. This year's commitments exceeded the previous year's. Councils also donated to Serra, priestly retirement funds, clergy and seminarians.

Recommendations

- ❖ Ensure all areas under the Christian Family Life umbrella are addressed at least once during the two-year term.
- ❖ Advocate with legislators for protection of all life from conception to natural death.
- ❖ Extend more support to separated and divorced persons through individual engagement.
- ❖ Advocate to make hospice palliative care available in our communities.

Report of the Standing Committee Chair of Resolutions

Andrea Smart

Sixty-four councils submitted a 2019 Resolutions Annual Report. Only 23 councils reported that the resolutions chair is filled. The majority of councils with a resolutions chair reported that this position is shared with the Legislation Standing Committee.

Outstanding Activities

Cards were signed and sent to the government in support of the Pornography Hurts campaign. Issues of concern to councils included palliative care, euthanasia and assisted dying, genetically modified foods, healthy eating and youth mental health. One council held several letter-writing sessions to the government and received responses. This encouraged their members to continue to speak up on issues that are important to them. Councils continued to take actions on resolutions adopted by signing petitions, meeting with local members of parliament, organized demonstrations and letter-writing campaigns.

Research and Preparation of Resolutions and Briefs

St. Mary Council, Brampton (Peel Region) gifted resolution TDC2019.02 Canadian Support for the UN Treaty on the Prohibition of Nuclear Weapons (TPNW) which was adopted at the 2019 Toronto Diocesan Convention. The resolution was then adopted at the 2019 Ontario Provincial and National Conventions. This resolution urged the federal government to support, sign and ratify the United Nations Treaty on the Prohibition of Nuclear Weapons (National Resolution 2019.02).

On July 7, 2017, the United Nations adopted the first-ever Treaty on the Prohibition of Nuclear Weapons. Once 50 nations have signed and ratified this treaty, nuclear weapons, like land mines and cluster bombs, become illegal. Those signing the treaty agree to ban development, testing, producing, manufacturing, transferring, possessing, stockpiling, using, or threatening to use nuclear weapons; to assist victims of the use and testing of nuclear weapons; and to help with cleanup of environmental contamination. Canada has not signed the Treaty on the Prohibition of Nuclear Weapons, also known as the “Ban Treaty”, claiming that U.S. nuclear weapons are essential to our security.

Study and Implementation of Resolutions Passed at Other Levels

In support of 2019.02 Canadian Support for the United Nations Treaty on the Prohibition of Nuclear Weapons, St. Mary, Brampton, (Peel Region) the council that gifted the resolution, sent Christmas cards to the Prime Minister, Foreign Affairs Minister and local MPs, urging them to support the Treaty.

Thirty-six councils familiarized themselves with resolutions passed at the national level in 2019. Three councils studied and educated members on ON.19.01 Psychotherapy Pilot Project for Adults, ON.19.02 Abortion and Mental Health, ON.19.03 Long-Term Care Beds in Ontario.

Promoting Interest in the Resolutions Standing Committee

Members who attended conventions at any level, found the resolutions dialogue sessions to be very informative. It enabled them to better understand the resolutions process at conventions. Many councils promoted resolutions through meetings, emails and newsletters. Some councils invited guest speakers at their meetings.

Directives Circulated/Discussed/League Resources

The *Toronto Diocesan Newsletter* and *The League Magazine* were the two most used references reported by councils. A few councils reported using the *Resolutions Supplement to the Executive Handbook*, *The National Manual of Policy and Procedure*, and *Leading the League*.

Recommendations

- ❖ Study resolutions passed at all levels of the League and follow the action plans. A letter-writing session at a meeting is a good place to start. The use of the League's *Letter Writing Guide* is strongly suggested as a guide.
- ❖ Keep and use the pamphlet on *Building a Relationship with Your MPP*, the *Resolutions Supplement to the Executive Handbook*, as well as the *Toronto Diocesan Newsletter*, as they are important tools in furthering the work of the Resolutions Committee.
- ❖ Encourage members to take the Resolutions Committee Chair position. Councils that do not have a resolutions chair are encouraged to identify members who can monitor media, websites, *The Canadian League* magazine, Catholic newspapers, as well as the Assembly of the Catholic Bishops of Ontario (ACBO) and Canadian Conference of Catholic Bishops (CCCCB) websites for current issues that need action.

Accessed Hansard

Three councils reported accessing Hansard, the printed record of the proceedings of the Federal government.

Report of the Newsletter Editor

Lucia Vacca

Eighty-eight per cent of the 101 Toronto Diocesan councils had subscriptions in 2019. As of December 2019, there were a total of 822 subscriptions which included the Diocesan executive, life members, regional spiritual advisors, regional chairs and parish council executives, spiritual advisors and members.

The newsletter was published three times during the year in the Spring, Fall and Winter. The newsletter highlighted special projects, events, resolutions, council anniversaries and member milestone years of service and Maple Leaf Service Pin awards.

The newsletter articles prepared by the executive officers and standing committee chairs were on current and upcoming initiatives, events and activities for their positions and were based on the *Constitution & Bylaws*, policy and procedure manuals, and communiqués from other levels of the League.

The Toronto Diocesan Newsletter raised awareness and promoted the work of the League. It is an extremely useful resource and a must for all council executives, spiritual advisors and members in order to inform and act on a variety of initiative.

Any changes to a council's new or current executive officers, addresses, deceased subscribers, etc., must be sent immediately in order to keep the data accurate and up-to-date. This will ensure that the newsletter information is accurate and is received timely. This will also reduce undue costs for undelivered mail.

Recommendations

- ❖ Budget and provide subscriptions of the newsletter for the executive and also encourage all members to subscribe. Consider subsidizing the cost of the newsletter for all members.
- ❖ Renew newsletter subscriptions early in January to ensure uninterrupted delivery. Be sure to indicate unit or apartment number. Use the form on our TDC website (cwltoronto.ca) and include the parish, region, contact name and phone number.

Humber Valley Region was pleased to have St. Gregory Council celebrate their 60th Anniversary this year at their June Luncheon. Two Maple Leaf Service Pins were presented during the celebration to very deserving members. Humber Valley Region was proud to see that their membership drives resulted in five councils increasing their membership this year: Immaculate Conception, Our Lady of Miraculous Medal, St. Gregory, St. John the Evangelist and Transfiguration of Our Lord Councils. Although the overall membership of the region was slightly decreased because of deaths and lapsed renewals, members becoming shut-ins and too elderly to participate, the goal of all councils is to keep all new members engaged and encourage them to renew again.

All councils were focused on the provincial and national themes *Care for our Common Home*, *Homelessness* and the National 100th anniversary H.U.G. (Helping, Understanding, Giving) project for their various activities. Socks, hats, personal items, clothing, toiletries and financial aid was donated by many councils to various homeless shelters as well as to preferred charities like Good Shepherd, St. Vincent de Paul, Sisters of Mercy, Imani's Place, Ernestine's Shelter, Our Place Peel, to name a few. The new theme *Care for the Common Home* was also introduced, and Sister Francis, Director of Mission and Ministry at St. Bernard's Retirement Residence added some much-appreciated levity to the program with her presentation of *The Humour of God*.

Spiritual growth continues to be the focal point of all councils witnessed by their planned retreats and their offering of prayers, rosaries and benedictions for those in palliative care, spiritual bouquets for League spiritual advisors, their continued attendance at the annual convention as well as many members attending the World Day of Prayer held at Our Lady of Miraculous Medal, dedicated to the women of Slovenia and planned by them.

May Our Lady of Good Counsel guide and mentor us to remain strong while working together as one.

Once again in 2019, North York Region increased the number of councils. With the addition of St. Bernard de Clairvaux Council, we now have 20 councils! We are happy to welcome these wonderful women to the CWL sisterhood.

Our parish councils actively embraced the themes of *Care for our Common Home*, *Homelessness*, and *Loneliness*. They hosted speakers on these topics to help educate about environmental concerns such as water usage, held drives for the Good Shepherd Ministries, Out of the Cold Program, Rosalie Hall, women's shelters, and more. They worked to engage parishioners to come out for fellowship in an effort to help combat loneliness within their parish communities.

North York held a winter meeting where the *Care for our Common Home* theme was discussed, along with the first two steps of the Strategic Plan. Parish presidents were also given the opportunity to discuss thoughts around attracting new and/or younger members. The meeting was well attended; this helped with a great exchange of ideas on all topics discussed.

Four parish councils sent representatives to our regional Mary Matthews Public Speaking Contest, and one advanced to the Toronto diocesan level of this contest. We were proud of all participants, who did a wonderful job and inspired us with their wonderful talks.

May Our Lady of Good Counsel bless us in our works undertaken for God and Canada.

Precious Blood Council raised \$5,000 to support the education of the high school students living in the refugee camps in Ghana, Africa. Councils continued to make sleeping mats made from milk bags and pneumonia vests for Haitian babies. The National Centenary Committee Project, H.U.G. (Helping, Understanding, Giving) was supported by most of the councils. They collected hats, scarves, gloves, socks, toiletries, shawls, loose change, baby blankets and onesies as well as donations to various shelters such as Sisters of Life, Juliette's Place (Homeward Shelter) and Kennedy Women's Shelter. In keeping with the National *Care for Our Common Home* theme, most councils refrained from using disposable utensils during meetings and events. Councils visited their elderly sisters in their home and in the long-term care facilities.

The Feast of Our Lady of Counsel was celebrated with Mass and reception of new members ceremonies. Scarborough Region hosted the 5th Annual Indigenous Mass at Immaculate Heart of Mary Parish, which was well attended by the members. Several councils participated in Rosary Sunday at Martyrs' Shrine by processing their banners. Most councils supported March for Life in May and Life Chain Sunday in October. Some councils held a movie night viewing *Fatal Flaws* with a speaker from Euthanasia Prevention Coalition. Members wrote letters to their MPs on the topic of MAID (Medical Assistance in Dying). Council presidents placed the region's Books of Life at the foot of the altar at the deceased members Mass in November.

All these activities, events and accomplishments are embraced as one UNITED in prayers and sisterhood.

Toronto Region held a reflection day January 19th on the *Homeless* theme given by Regional Spiritual Advisor Father Damian Young-Sam-You and hosted by St. Alphonsus Council. Development Day on February 23rd was attended by 27 members from nine councils.

Our Lady of Lourdes Council held their Annual Communion and Mother's Day Brunch on May 18th, courtesy of their Spiritual Advisor Father John Sullivan followed by an afternoon retreat facilitated by him. St. Monica Council had their Advent and Lenten Reflection with their Spiritual Advisor Father Damian Young-Sam- You. Holy Cross Council give out Easter candies to children for Easter treats. Holy Rosary Council sang carols to the seniors at Christie Gardens.

Six members attended the Provincial Convention in Kingston in July. The president of St. Matthew's Council was the representative for Toronto Region at the national convention in Calgary. On September 8th, Holy Rosary, St. Helen, St. John Bosco, St. Matthew and St. Pius X councils attended Rosary Sunday in Midland. St. Pius X Council was invited to recite a decade of the Living Rosary at that time. They also presented their CWL Christian Spirit Award of \$100 to both female and male students from St. Pius X Catholic Elementary School grade 8 graduating class.

St. John's Council, Kingston Road, was featured in the November Ontario Provincial Council Newsletter as one of the Toronto Diocesan councils noted for their work on the *Care for Our Common Home* theme and their actions on the *Loneliness and Homeless* themes. The actions included monthly casseroles to feed the homeless, delivering hygiene items to a women's shelter and holding a community healing Mass.

St. Thomas Aquinas Council had great success with their membership drive in November and 45 ladies signed up

All councils incorporated the *Care for Our Common Home* and *Loneliness* themes in their events and activities. One member made a produce cloth bag for sale at their fundraising events and encouraged people to use this bag instead of plastic. St. Joan of Arc Council helped with an ecumenical Taize service on the Season of Creation, involving Indigenous peoples.

St. John's Council, Kingston Road, hosted the Spring Regional Meeting. Our Lady of Lourdes Council hosted the Fall Regional Meeting where Monsignor Patrick O'Dea and Father John Sullivan concluded the evening with a special blessing to everyone with the relic of a Holy Canadian Martyr. St. Alphonsus Council celebrated their 30th Anniversary. They also mourned the passing of Claudette Guibord, who was well known by most attending the conventions; she will be missed.
