

Regional Meetings – A New Format

Dear Council Presidents,

At a meeting held on June 8, the Toronto Diocesan Council (TDC) Executive agreed to try a new format for your Regional Meetings.

Starting this Fall, the new format will be as follows: We will have one Zoom meeting, where all members of Toronto Diocese are invited to attend. At this meeting, only TDC executive members and Fr. Liborio will give reports. This way, everyone will hear at the same time and receive the same message as each report is given. All Council Presidents are encouraged to attend as well as encourage their council members to attend.

The date for this Zoom meeting has been set for Tuesday, September 24, 2024, 7:00 – 8:30 p.m.

Each Region will still hold their regional in-person meetings. **These meetings will take place in October, 2024.** At the regional meetings, all council members from this region are encouraged to attend, as has been the practice in the past. The meeting will start with a Mass, where affirmation of the Region Executive will take place. Regional Executives, Regional Spiritual Advisors and Council Presidents will give their reports. If time permits a guest speaker may be invited at the request of the Regional Executive. The TDC President and Fr. Liborio will attend every in-person Regional Meeting. Other executive members will attend these regional meetings or make themselves available to councils in other regions for workshops or presentations. In this manner, we hope to implement one of the recommendations from the Unity Outreach to build better relationships between levels of the League.

Once we try this new format, we will be asking for your feedback.

Thank you
