### Impromptu Speech

- All contests **must** include impromptu speeches. These speeches are invaluable in determining the true ability of the speaker. The impromptu speech comprises 20% of the total mark.
- All contestants are to be assigned the same topic.
- The impromptu speech is to be 1 minute in length with 2 minutes preparation time.
- All contestants will wait together in a room separate from the guests and judges. Each contestant will be brought to a quiet room, one at a time, where they will be given the impromptu speech topic and 2 minutes to prepare. The room should have a supply of note cards and pencils. At the end of the 2 minutes the contestant will be brought to the hall to deliver the impromptu speech.
- Contestants should watch the timekeeper when giving their speech as he/she will stand at the completion of 1 minute and remain standing until the speech is completed.
- An allowance of 10 seconds will be given, with a deduction of 1 penalty point applied for every 5 seconds or part thereof for speeches over or under the 10 second allowance.
- Contestants should sit down when their time is up even if they were unable to complete the speech. This will have a more positive effect on the judges.

#### 4. **Judges:**

The selection of judges is a very important step as they need to have the skills and knowledge to evaluate the contestants with an objective and unbiased mind.

- In advance of the contest date, select **three** qualified judges and ask one of the three to be the head judge.
- Those who have judged at the school or the parish level shall not serve as a judge at the Regional or Diocesan level.
- Those who have judged at the Regional Level shall not serve as a judge at the Diocesan Level.
- Although this may not be possible, it is preferable that the judges are unrelated to any participating school in your region.
- When selecting your judges, consider representation from retired teachers, post-secondary students, church or community officials, people of other faith communities, individuals who have taken the Christopher Leadership or Toastmasters courses, or people whose professions require them to make presentations.
- Provide the judges with the Scoring Package well before the contest so they can become familiar with the process.
- The day of the contest, provide each judge with an adequate supply of scoring sheets, blank paper and pencils. Provide a calculator for the judges should it be needed.
