Under the sponsorship of:
The Catholic Women's League of Canada
Toronto Diocesan Council

The University of St. Michael's College is one of the seven colleges in the Faculty of Arts and Science on the St. George (downtown) campus of the University of Toronto. Every student in the Faculty of Arts and Science belongs to a college, an intellectual and social community that provides a wide range of services and facilities. Students may choose from the full range of Arts and Science courses, regardless of college affiliation.

The University of St. Michael's College, in cooperation with the Toronto Diocesan Council of The Catholic Women's League of Canada (CWL), sponsors and administers the CWL/St. Michael's College Scholarship. The value of this non-renewable scholarship is **\$3,000**.

The awarding of the scholarship is based on several factors: eligibility, first-choice of college, and high mid-average marks on admission. Financial need is also considered.

This scholarship is open to any young woman of Catholic faith who is completing her secondary school education and who has indicated on her University of Toronto application that **The University of St. Michael's College is her *first-choice of college***. The applicant must be entering the Faculty of Arts and Science in one of the following areas of study: **Commerce, Computer Science, Humanities and Social Sciences, or Sciences**.

Eligible candidates must complete the attached application and submit a letter of introduction along with any supporting documentation demonstrating eligibility. The attached application may be photocopied. Please do not forward transcripts, as these will be included in the University of Toronto application.

To date, many scholarships have been awarded, and we look forward to assisting more young women in pursuing their post-secondary education.

We would appreciate your cooperation in bringing this information to the attention of any eligible young women in your secondary school(s) and encouraging them to apply.

The closing date for applications is May 31, 2027.
